**Awards:**

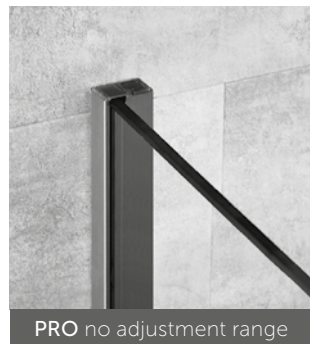

Iconic Award

## INSTALLATION SITUATION:

## WALL PROFILES (from fixed wall elements):

## WALL HINGE (for movable wall elements):

*Tip from the designer:* For a perfect frameless design a flush mounting of the PRO-profile in the wall is possible. To that the profile has to be installed before the tiling work.

## HINGES:

## FLOOR SOLUTIONS:

*optional splash rail:* For splash protection in an unobtrusive design.

**DESIGN GLASSES** (8 mm tempered safety glass):
